Glory to Jesus Christ!
Слава Ісусу Христу!

On behalf of the Parish Council we pray that your family enjoyed the blessings of the fall season. As we continue into the winter months, our Cathedral continues to be a vibrant parish and we look in anticipation to our Nativity and Theophany season.

Since my last letter, we have had many events held at our parish and continue to support all organizations in their activities.

- The Winnipeg Deanery again hosted their Altar Server's Appreciation banquet at our Cathedral on October 10th
- UWAC celebrated their 70th Anniversary and Membership Tea on October 16th.
- Both delegates and clergy attended the Central Eparchy conference in Yorkton and were able to report back to us on the sessions during fellowship.
- A very success Fall Bazaar was held on November 5th and we commend the committee and all volunteers for all their efforts
- The Remembrance Day service organized by the Order of St. Andrew was very well attended
- Winnipeg CYMK held a very enjoyable CYMK carnival which was held at the Cathedral this year and it was well attended by children from various parishes.

Besides these special events, Church School continues to grow and they are well into their classes. Our Busy Hands volunteers continue to enjoy many successes in their All you Can Eat Perogy luncheons. Our Senior Golden Age club meet every week with a variety of interesting speakers and programming. The Outreach Committee continues the most important work of outreaching to those in hospitals, nursing homes or those that are homebound. Both the Sisterhood and Brotherhood diligently fulfill their roles towards the upkeep of our temple. Of course, UWAC, TUS and the Order of St. Andrew meet monthly and we appreciate their support to our Parish life.

As you know we have responsibilities to both the Consistory and Central Eparchy, and through our membership dues we support our National and Eparchial administrations. During this fall, the Parish Council and Membership committee diligently contacted many of our members and we overwhelmed by the response, especially to the matter of membership dues. We appreciate you for your cooperation.

Father Gregory continues to prepare a wonderful weekly bulletin which is also uploaded to our website. Please use this and the Website Calendar to mark important dates on your Calendar. The full cycle of Nativity services will be listed as well as mailed out to the membership and we look forward to celebrate with you and your families.

Our next major event will be our annual Malanka. Get your tickets early, as they will sell out very quickly. We pride our Malanka as being a truly parish family event to welcome in the New Year.

For further information, please feel free to contact us at 582-8946. If you wish, you may leave your e-mail address on our voice mail so we are able to update you with the latest activities within the Cathedral.

Thank you again for supporting our Cathedral and its functions.

Yours in Christ,

Dr. Greg Palaschuk - Parish Council President
